

LEGO®

Family Time

Stop in and create with LEGO®s as a family!
Our LEGO® and DUPLO® collections will be
out for free play and creativity in the
Community Room.

This is NOT a drop-off program — parents must
stay with kids and make creations together!

All children under the age of 8
must be actively supervised by an adult.

Creations (and their creators) will be
photographed and photos will be available
for viewing on the SPPLYS Facebook page.

**Saturdays: January 7, February 4,
March 4, April 1**

10:00am-12:30pm OR 2:00-4:00pm

Children and adults participating in Sun Prairie Public Library's Programs may be photographed by newspaper or television reporters/photographers, library staff members, or others involved with the program. These photographs may appear without compensation in newspapers or in productions, publications, on the web, or other printed or electronic materials related to the role and function of the Sun Prairie Public Library. Parents who do not want their children photographed should notify Lynn Montague, Youth Services Librarian, before the program starts.
