

# Reduce Your Risk of Viruses and Malware

Do you ever question what a virus really is on your computer? Do you ask yourself, "What is malware?" Or perhaps you're just looking for ways to protect your devices?

Join us as we discuss the basics and learn about ways to reduce risks of viruses and malware, as well as what software solutions are out there to help protect your devices.

**Monday, July 10, 6:30 p.m.**  
**Sun Prairie Public Library**  
**Library Conference Room**

If you need accommodations to attend this program  
please call 825-0702 two weeks in advance.
